Message from the Mission's Executive Director

Good Afternoon and Welcome! I am so pleased to have you join us today at this Concert for Mark's Place. We are very appreciative of the support from the Buffalo Gay Men's Chorus and their beautiful music this afternoon. We also thank the First Baptist Church and Pastor Mark Breese for the use of their sanctuary and fellowship hall.

For over 80 years Community Missions has responded to the needs of the Niagara Frontier Community. Sometimes the need is short term and basic in nature...food and shelter. At other times, long term skill development and rehabilitation are required. Whatever the need, we are privileged to serve our community in a compassionate, caring way.

We could not do this work without your help! Our donors, volunteers, friends, and supporters have made our programs strong and successful. We thank you for your time, talents and treasures. We hope you enjoy the music and fellowship. We look forward to your continued support in the years ahead.

With kindest regard,

Robyn L. Krueger

The Buffalo Gay Men's Chorus is dedicated to producing vocal music of high quality in the rich tradition of men's choral singing. We seek through song not only to enlighten, but to entertain. We sing to create harmony as we celebrate pride in the community and in ourselves.

While we could easily use several full-time staff, as a non-profit organization we thrive on the volunteers who assist us whenever they are able to do so. We always need volunteers to help out in many different support roles that enable the singers to do what they do best -- sing! If you are interested in a volunteer position with the BGMC, please contact our office at 716-883-1277. "If you are willing to work for nothing, we definitely have something for you!"

ABOUT THE ARTISTS

The Buffalo Gay Men's Chorus (BGMC) performs a rich catalog of classical, contemporary, Broadway, pop and multi-cultural music. The repertoire is as diverse as the 90 men who are singing with pride as members of the BGMC. A balance of educating, entertaining and enlightening allows us to maintain our integrity as a gay chorus while providing inclusion and appreciation by all members of our respective communities.

The BGMC has been honored by the Empire State Pride Agenda with a Community Service Award. This award was in recognition of efforts to raise awareness and to enlighten our region through song. To that end, the BGMC has performed in a variety of venues throughout Western New York and Ontario for many community events. Additionally, the BGMC has traveled to Montreal to participate in the seventh annual GALA Festival, an international gathering of gay and lesbian choruses.

While maintaining a strong presence within the gay community, The BGMC also has been privileged to perform with the Buffalo Philharmonic Orchestra at Kleinhans Music Hall and has done benefits for the Amherst Unitarian Universalist Church music program; Blessed Trinity Roman Catholic Church's restoration; the annual World AIDS Day Memorial Service; and, the AIDS Community Services fundraiser Cause for Celebration. Additionally, BGMC performed for the arrival of The Amistad; participated in "Gusto at the Gallery" at the Albright-Knox Art Gallery; sang at the Ars Nova Musicians "Viva Vivaldi" Concert; sang at Fredonia College for their diversity and multicultural groups; and, at the Nichols School for Diversity Week. Of course, our four major concerts annually bring our work to thousands of avid listeners.

Incorporated in 2001, The BGMC is a membership association dedicated to producing high quality vocal music in the rich tradition of men's choral singing. Through song, the Chorus endeavors to entertain and enlighten, create harmony and celebrate personal and community pride.

Barbara Wagner (Artistic Director) has served as Minister of Music at the Unitarian Universalist Church of Buffalo for 42 years. She was the director of choral activities at the Nichols School for more than 24 years and served the congregation of Temple Beth Am as its Music Director for 12 years. She was in charge of vocal activities at the Buffalo Seminary and conducts the Unitarian Universalist Church Choir as well as the Buffalo Gay Men's Chorus. In addition to its Sunday morning responsibilities, the UU Church Choir has made two highly acclaimed European tours, the first to Germany, Austria and the Czech Republic and the second to Ireland, Wales, England and Scotland. The UU Church Choir, under the direction of Ms Wagner, has recorded for American Public Radio, performed locally with the Buffalo Philharmonic Orchestra, Amherst Saxophone Quartet and the Ars Nova Chamber Orchestra. Ms. Wagner was the conductor for the Peace Odyssey Tour of Hungary and the former Soviet Union. Choral singers from all over the USA participated in this tour.

She was a member of the prestigious seven member Hymnbook Resources Commission that was responsible for the denominational hymnbook **Singing the Living Tradition**, published in 1993. She was chair of the New Hymns Task Force, which produced, **Singing the Journey**, another denominational songbook, published in June, 2005. She ran a choral program at Nichols High School that involved over 100 young singers including a concert chorus, women's ensemble, men's ensemble and a mixed chamber group. She was also guest conductor for the City of Good Neighbors Chorale. Ms. Wagner earned a BFA degree from the State University of New York at Buffalo, where she studied organ with Squire Haskin, and has done graduate work at Westminster Choir College. She did advanced Organ study with Karl Richter at Munich Conservatory and has done advanced conducting study with Raymond Harvey, the former Assistant Conductor of the Buffalo Philharmonic Orchestra and presently the Music Director of the Kalamazoo Symphony. She is a member of The American Choral Director's Association, Erie County Music Educators Association, MENC, Unitarian Universalist Musician's Network (founding member, former vice president and board member), NYSSMA, American Guild of Organists (sub dean of the Buffalo Chapter) and Chromatic Club. She was presented with the Erie County Music Educator/Buffalo Philharmonic Orchestra award for excellence in choral education in May of 2002. Ms. Wagner is included in the 2004 edition of **Who's Who in American Women**, and will be included in the 2006 edition of **Who's Who in America**. She is the charter Artistic Director of the Buffalo Gay Men's Chorus.

A native of North Carolina, **Debi Overton (Accompanist)** is the Organist and Choirmaster at Calvary Episcopal Church in Williamsville. Ms Overton has held positions as coach/accompanist at the University of Texas at Austin and served as Director of the Chamber Music Program at the New School of Music in Philadelphia. From 1979 to 1986, she was active in the summer music festival in Aspen, Colorado as the coach/accompanist for the choral department. In this capacity she served as assistant to noted conductor Fiora Contino. She has assisted in preparing choruses and soloists for such conductors as Tamara Brooks, John Nelson, Robert Shaw, Sergei Commissiona and has herself coached with coach/accompanists David Garvey, John Wustman, Brooks Smith and Dalton Baldwin.

In addition to her duties at Calvary Church, Ms. Overton serves as Chair of the Music Commission of the Western New York Episcopal Diocese and is active in this area teaching, accompanying and performing with singers and instrumentalists.

The Youth Services staff of CMI offers

Mark's Place for their continued service
to persons living with AIDS.

Mark's Place

Mark's Place is a residence for persons living with Aids

Mark's Place is a transitional residence for HIV positive persons with an AIDS specific diagnosis. Located in a large Victorian house in Niagara Falls, there is an intimate family like atmosphere with no more than four residents. The program is designed to facilitate advancement to permanent and independent housing within a limit of one year.

Niagara County has the second highest incidents of HIV/AIDS in Western New York. Mark's Place provides a short term, transitional residence for persons who would otherwise be homeless due to their HIV status. It has changed the lives of those who live there.

Services available to residents:

- Enhanced MICA Services
- Consumer Advocacy
- Transportation
- Substance Abuse Services
- Counseling

One client, "Joe," lived on the streets and had never received any of the protease or reverse transcriptase drugs. Receiving these after coming to Mark's Place, "Joe" saw his viral load drop to one-twentieth its prior level. "This is a new lease on life!" he said. "I feel better. I sleep and eat better. My energy has doubled!" Another client, "Dave," left a Masters degree program in Business Administration when he became quite ill. After coming to Mark's Place, CMI caseworkers helped him request educational benefits and obtain SSI payments. "Dave" found an apartment and plans to re-enter his Master's degree program. The third client "Jack" was a whirlwind in the residence, stripping woodwork, refinishing built-in cabinets, helping to landscape the property, etc. Indeed, all three of these clients have taken great pride in improving their home. In the past all referrals received by Mark's Place had been for male residents, however, a young woman recently moved into the remaining available bedroom.
